

澄清啟事

惠康並沒有出售中國出產的藍莓

(2015年4月15日) 就今日於網上及手機訊息上流傳有關進食惠康出售中國出產的藍莓而患上甲型肝炎之傳聞，惠康深表關注。超市謹此澄清並沒有出售中國出產的藍莓，所出售的新鮮藍莓均出產自智利。同時，超市近日亦未有接獲因進食藍莓而不適的相關投訴。顧客如對所購買的產品有任何疑問，可攜同貨品及單據到分店辦理換貨或退款手續。

Clarification Notice

Wellcome does not carry blueberries produced in China

(15 April 2015) Wellcome is deeply concerned about the message being circulated online and via instant messaging applications today. It was claimed that a customer was diagnosed with Hepatitis A after consuming China blueberries purchased from our supermarket. The company would like to clarify that it does not carry any blueberries produced in China. All fresh blueberries for sale at Wellcome are produced in Chile. In addition, Wellcome has not received any related complaints regarding customers experiencing discomfort after consumption of blueberries. Should customers have any questions regarding products they have bought at Wellcome, they may visit any of our stores with the purchased goods and receipt for an exchange or refund.
